

## **FOR YOUR INFORMATION**

Did you know that St. Valentine School operates a Scrip program? The purpose of the Scrip program is to give our school families an opportunity to save money for tuition.

It was brought to our attention that many parish families are unaware of this program and may be interested in using the program to benefit

- school families
- the school
- the church

Our program runs almost every week of the school year.

Orders must be turned in to the School Office or Rectory Office **before 11:00 AM on Monday mornings.**

Orders must be submitted to Great Lakes Scrip Center before noon in order to receive, process and return to you by Friday of the same week. \*You may also drop off orders on Thursday or Friday of the week before, or in the collection basket in church.

If you are interested in finding out more about the Scrip program, see the information provided on the second sheet or call Kris Brake in the school office 533-7149.
