

Dear St. Valentine SCRIP Shopper,

As of January 1, 2012, all scrip orders will have to be placed online.

We would like to encourage our SCRIP shoppers to place their orders online. It is simple to do and would eliminate hours of re-entering orders every Monday morning and the chance of errors.

All you need to do is go online to www.shopwithscrip.com and register with St. Valentine School, our enrollment code is: **593L825B2328**. Once you register you will be able to place orders directly online and choose your method of payment.

If you choose to continue to pay with a check made out to the school all you need to do is select that method of payment and send in your payment Monday morning as usual, before 11:00am.

You may also choose to pay with the Prestopay option that is offered by **shopwithscrip.com**. This is a method of debiting your bank account for a fee of .15 for each order placed. There are instructions on how to register your bank account on their website. Please note the procedure for non-sufficient funds used by shopwithscrip.com.

St. Valentine School would appreciate your taking the time to register and place your orders on the **shopwithscrip.com** website. Our local merchants are listed for our St. Valentine shoppers. Let the school office know you are a parishioner of St. Valentine.

If you have any questions or need assistance please call Kris at the school office.
