We would appreciate payment in full of your completed registration form. If this is not possible, please try to send at least half of the fee at this time and the remainder at a future date. We need the money to purchase books and supplies that should be available for the first class.

“If your financial situation allows and you are able to sponsor (pay for) another student's tuition fee, it would greatly be appreciated.”

Thank you for your cooperation. Any questions please call the Faith Formation Office at 313-532-4394 x201.
